

The call rates listed below are separated into two groups. Each group has six zones. The top section is for call rates when you are in the UK. The bottom section is for the call rates when you use the phone outside of the UK. If the country you want to call from is not listed below in one of the first five zones, the call rates fall under the sixth zone: Rest of World.

Country	Call Type	Rate (US \$)
While in the UK - Calls placed and received while in the UK		
UK - includes England, Northern Ireland, Scotland and Wales	Any Incoming call	FREE
	Local Outbound call ¹	\$0.35

	Any Outbound call	\$3.99
SMS/Text: All incoming texts are FREE	ALL ZONES	\$0.79

Want to take your US number with you? Select Follow Me when ordering and add an additional \$0.49 per minute to incoming call charges.

¹ Includes calls to landline or other Vodafone numbers. Calls to other cellular networks will be charged at \$0.89 per minute.

² This solution does not work in Japan and Korea. You will need a separate phone for either of these two countries.
